VILLAGE VIEW PTO ANNUAL MEMBERSHIP GOALS

Calling all Moms, Dads, Grandparents, and Community Members!! Our PTO supports many of the educational needs of students and is the link between parents and Village View Elementary School. We are fully funded by fundraisers and PTO memberships. **Your membership donation will help to support Village View PTO.**

PTO MYTHBUSTERS

- ✓ Joining the PTO does NOT mean you are joining the Board or committing to volunteering. It simply means that you are providing financial support for the many programs and activities that the PTO funds.
- ✓ The PTO is NOT a group of crazy moms planning over-zealous bake sales. It's a real non-profit organization for EVERYONE who cares about education! Parents, extended family and teachers can join the PTO to show our children we are 100% invested in their educational experience.
- ✓ The PTO does NOT have all the support it needs. Every child at V.V.E. benefits from the programs funded by the PTO. Your support matters!

"The PTO does that?"

Last year, the PTO:

- Invested \$10,000 in a new school wide ST Math program
- Provided Enrichment Programs (Raz-Kids, Chrome Books, Art & Music Education, Disaster Preparedness for each student, Field Trips, and more...)
- Funded campus improvements (Playground, Teachers Lounge, Library, and TK/Kinder Playground/Garden)
- Hosted exciting community events such as Family Movie Nights, Talent Show, Parents Night Out, Fall Festival, and Staff Appreciation
